Simon Pickering (lardman)

- Mech Eng PostDoc working on NDE tech & data analysis.
- Involved with Linux since the Sharp Zaurus 5500.
- Interested in Nokia tablet system efficiency/optimisation (hw accel + more).
- Other interests: books, cars, Aikido, gadgets, rockets & beer :)
- Want to get community involved in alpha/beta testing -> for a better idea of Maemo's future direction.

Tim Samoff (timsamoff)

- Professional multimedia developer & filmmaker for 20 years.
- BFA in Experimental Animation & Filmmaking from California Institute of the Arts (CalArts).
- Avid (but slow) Sci-fi & speculative fiction reader.
- Want to integrate various spaces of Maemo information exchange.
- Husband, father, musician, amateur thinker...

What we've achieved so far (1 week)

- Getting elected
- Blog
 - <http://maemo.org/community/council>
 - Thanks to the maemo.org team
- Wiki Homepage
 - http://wiki.maemo.org/Community_Council
- Chairman
 - His Lordship and Imperial Highness Emperor Field Marshal Antilles

First Suggestions/Actions

- Review election process & electorate etc.
- Reduce Quim's workload
 - Distill community channels consistently
 - Bring relevant points to Nokia's attention
- Community has root@maemo.org
- What does the community expect from the council?
 - Initiate plans the next summit?
 - Follow up on 100 Day Brainstorm?
 - Define our own role?
 - ...
